# CORRESPONDENT MESSAGE

Dear Parents, Teachers, and Students,

As we move forward in this academic year, I am delighted to see the enthusiasm and commitment shown by our school community. Every achievement, whether big or small, reflects the collective efforts of our students, the guidance of our teachers, and the constant support of our parents.

Our focus continues to be on providing a safe, nurturing, and engaging environment where every child can grow academically and personally. I encourage all students to make the best use of the opportunities provided and to always strive for excellence with sincerity and dedication.

Let us work together to ensure that our school remains a place of learning, discipline, and values. I look forward to another successful and productive month ahead.

Warm regards,  
Rev.Sr. Reesal, DMI.  
Administrator

# PRINCIPAL MESSAGE

Dear Students, Parents, and Teachers,

As we step into the month of August, our hearts are filled with pride and gratitude as we celebrate our nation's Independence Day. This is a time to remember the sacrifices of our great leaders and freedom fighters, and to remind ourselves of the values of unity, responsibility, and hard work.

August is also a month of learning, growth, and renewed enthusiasm. I encourage our students to actively participate in all academic and co-curricular activities with dedication and joy. Let us continue to work together to uphold the values of discipline, respect, and excellence in every sphere of life.

May this month bring progress, positivity, and success to each one of us. Together, let us keep moving forward to build a bright future for our students and our school community.

Warm regards,  
Mr.B. Narendiran John Britto.  
Principal

## OPEN DAY

On 2nd August First Mid term open day is conducted for STD I-IX , this was a great chance to the parents and teachers to foster a collaborative partnership between home and school to promote a child's academic and overall development.

# CORRESPONDENT MEETING

Our Correspondent, Sister recently participated in an online meeting with DFT authorities, discussing key initiatives and updates in education. This meeting facilitated valuable interactions and insights for our school's growth and development.

# KG ORIENTATION PROGRAM

Our KG teachers recently attended an enriching orientation program led by resource person Mrs. Jayabharathi. The session covered essential topics such as pronunciation, phonics, effective homework strategies, our kindergarten curriculum, and classroom management techniques. This valuable training will enhance our teachers' skills and benefit our young learners."

# KG STAFF MEETING

A KG staff meeting is an essential gathering for kindergarten staff to discuss important topics, share updates, and collaborate on strategies to support student learning and well-being. Some potential discussion points for a KG staff meeting could include:

1. Curriculum updates and implementation
2. Classroom management and behavior support
3. Student progress and assessment
4. Parent-teacher communication
5. Upcoming events and activities.

# KG and Senior Secondary Open Day

Our school successfully conducted the Open Day for Kindergarten and Higher Secondary students in connection with the First Mid-Term Test. Parents were invited to meet the teachers, review their ward's performance, and discuss progress and areas of improvement. The event created a positive platform for parent-teacher interaction, ensuring better guidance and support for the students in their academic journey.

# INTERNAL COMMITTEE MEETING

An Internal Complaint Committee (ICC) meeting was conducted for the students, with active participation of the committee members. The session was headed by our Principal and Correspondent, who addressed the gathering and highlighted the importance of a safe and supportive learning environment. The meeting created awareness among students about grievance redressal mechanisms and assured them of guidance and protection whenever required.

# GRAMMER CAPSULE TEST

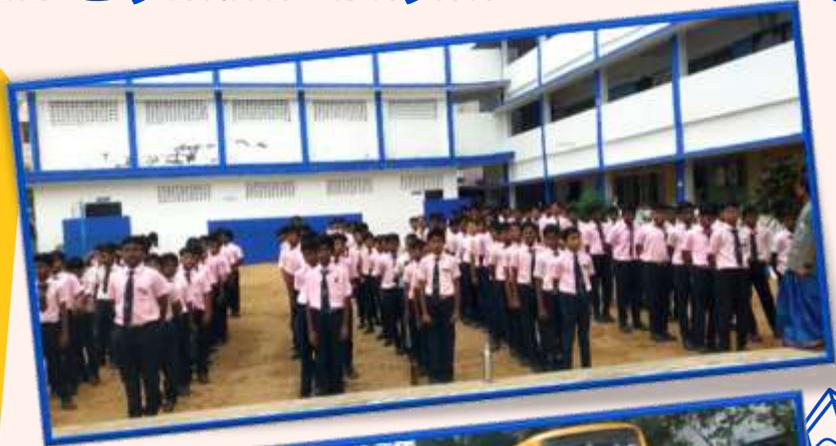

Students from Grade 1 to VIII showcased their grammar skills in a comprehensive Grammar Capsule Test. This assessment aimed to reinforce language fundamentals and evaluate students' understanding of grammatical concepts.

# AAVIN DAIRY FARM INDUSTRY VISIT

on 2<sup>nd</sup> August we took X,.XI,XII students to AAVIN DAIRY FARM INDUSTRY as a field trip. Students visited Aavin Milk Factory in Ambattur for hands-on learning about the entire dairy process, from raw milk collection and processing (like chilling and pasteurization) to packaging, quality control, and distribution of various dairy products. These field trips provide a "classroom without walls" experience, offering real-world insights into food production, hygiene, automated machinery, and the dairy industry's vital role in the economy.

# ART AND CRAFT

Our school's art and craft program continues to thrive! Every Saturday, students have been participating in engaging art and craft classes, exploring their creativity and developing their fine motor skills. These sessions have been a great way to encourage self-expression, imagination, and teamwork among our students.

# ANTIDRUG AWARENESS

Our school recently organized an Anti-Drug Awareness Program for our students. The session aimed to educate them about the dangers of substance abuse and the importance of making healthy lifestyle choices. During the assembly, students took a pledge to stay away from drugs and promote a drug-free lifestyle in their community."

# AI AND TALLY CLASSES FOR GRADE XI, XII

Our school is offering AI and Tally classes for XI and XII students every Friday and Saturday. These sessions aim to equip students with essential skills in artificial intelligence and accounting software, enhancing their career prospects and digital literacy.

# INDEPENDENCE DAY

Independence Day was celebrated in our school with great patriotism and enthusiasm. Mr.Vinoth Kumar, B.A., LL.M. Advocate, Madras High Court was the Chief Guest of the day. He is our Alumni Student. The programme began with the flag hoisting, followed by inspiring cultural performances by the students. The Chief Guest addressed the students, emphasizing the importance of freedom and responsibility in nation-building. The event instilled patriotic spirit and pride among everyone present.

# DAY TRIP AT SNOW KINGDOM

On 16.08.2025 we took students from STD III - V to snow kingdom as a one day picnic. it is a India's largest indoor snow theme park, offering a real snow experience with a temperature of  $-8^{\circ}\text{C}$  in the middle of Chennai. It features snow activities like snowball fights and building snowmen, attractions such as snow slides and igloos, and is equipped with warm gear like coats, boots, and gloves for visitors.

# Types of Angles

MATHS ACTIVITY  
BY  
GRADE VI

Class VI students actively participated in an engaging Types of Angles Activity. Through hands-on exercises and creative demonstrations, students identified and classified different angles, enhancing their understanding of the concept in a fun and practical way. The activity made learning interactive and enjoyable.

# MEASUREMENTS ACTIVITY

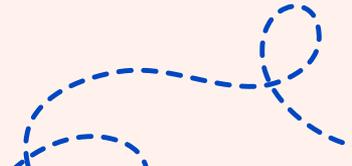

Grade 4 students recently participated in a hands-on measurement activity, where they learned to measure lengths using various units and tools. They also creatively prepared flashcards to reinforce their understanding. This engaging activity helped them understand the concept of measurement and its real-life applications.

# TAMIL ACTIVITY

Our Grade 5 students recently participated in a Tamil activity themed "Kadal" (Sea). Students creatively prepared charts and drew beautiful sea sceneries, showcasing their artistic skills and language proficiency. This activity helped them develop their Tamil language skills and appreciate the beauty of the sea.

# FEATHERS ACTIVITY BY GRADE III

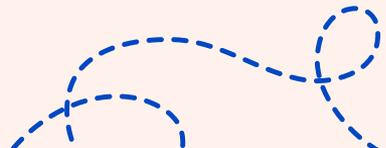

This activity Encourage Observation & Critical Thinking Students observed the physical characteristics of feathers (texture, color, structure) and learn to describe them in Tamil, improving their vocabulary and analytical skills.

# CLOCK ACTIVITY

Clock making activity is conducted for STD III Students ,purpose of a clock activity is to teach time-telling, fostering essential life skills such as time management, problem-solving, and cognitive development in children. These activities also help develop fine motor skills through clock making and enhance language development by practicing time-related vocabulary. by this activity students learnt to identify the time in clock.

# NATIONAL FLAG ACTIVITY

The national flag of India, the Tiranga, is a horizontal tricolor of saffron, white, and green, with a navy blue Ashoka Chakra in the center. Saffron symbolizes strength and courage, white represents peace and truth, and green stands for fertility and growth. students were asked to prepare flag on their own , gave speech about the National flag .

# JANMASHTAMI CELEBRATION

Our kindergarten recently celebrated Krishna Janmashtami with great enthusiasm and joy! The children learned about the significance of the festival through stories, crafts, and fun activities. Children enjoyed devotional songs and danced with joy. We're grateful for the opportunity to share the richness of Indian culture with our kindergarten community.

# Nature Escapade: Grade 1 and 2 Picnic to Sagayathottam

On 21.08.2025 114 students were taken to Don Bosco Natural Hub , Sagayathottam as a one day picnic. Taking children to a nature center for a picnic provides an opportunity for hands-on learning about the environment, fosters physical activity and outdoor exploration, reduces stress and improves mood, and builds strong family bonds through shared experiences. It allows kids to engage their senses, develop independence, and create lasting positive memories, all while breaking from their daily routine in a stimulating, natural setting.

# ANIMALS AND THEIR YOUNG ONES

For Standard I students, a successful "Animals and Their Young Ones" activity is conducted as a part of their EVS activity. This activity results in students being able to identify and name common animals and their babies, develop empathy and responsibility for animals, and improve their fine motor skills through related tasks. The outcome of the activity is a deeper understanding of life cycles, animal diversity, and the development of cognitive skills like critical thinking and memory.

# MAGIC WORDS

Our LKG students had a delightful time exploring 'Magic Words' through an engaging activity. This interactive exercise helped them develop phonetic awareness, vocabulary, and communication skills in a fun and imaginative way.

# BRAIN BREAKS ACTIVITY

B  
R  
A  
I  
N

B  
R  
E  
A  
K  
S

Our kindergarten recently enjoyed some exciting brain breaks featuring fun characters like cartoon animals and superheroes! These short activities helped students recharge and refocus, promoting learning and relaxation. Through interactive games and exercises, our young learners developed their creativity, problem-solving skills, and social interactions.

# **SORTING COLOURS ACTIVITY**

Our UKG kids had a blast playing sorting colour games, developing their problem-solving skills and hand-eye coordination. This engaging activity helped them recognize and identify different colours, laying a strong foundation for future learning.

# BALLOON BALANCING ACTIVITY

Our UKG kids had a blast participating in the Balloon Balancing activity, developing their fine motor skills and hand-eye coordination. This engaging exercise promoted teamwork, balance, and concentration in a fun-filled way.

On August 30, 2025, our school organized a one-day training program for parents. Our ICT Coordinator, Mr. John Raja, and System Admin, Mrs. Prethivi, hosted the Digital Literacy session, while Mr. L. Kumaresan B.A, FHO,D.F.A hosted the Art & Craft session. The program concluded at 1:00 PM, with refreshments provided to parents in between sessions. We received positive feedback from the parents, who described it as a wonderful experience.
