CORRESPONDENT MESSAGE

Dear Students, Parents, and Staff,

Another academic year has come to a successful end, bringing many happy memories and valuable learning experiences. I am proud of our students for their hard work, good discipline, and active participation in all school activities. Their growth in knowledge and character is truly a blessing for our school.

Summer holidays are a time for rest, refreshment, and family bonding. I encourage every student to use this time wisely by reading good books, practicing good habits, and helping at home. My heartfelt prayers and best wishes go to our Class 10 and Class 12 students awaiting their public examination results. May they achieve excellent success and make their parents and school proud.

With blessings,

Rev Sr. R. REESAL

PRINCIPAL'S MESSAGE

Dear Students, Parents, and Teachers,

April has been a meaningful and productive month in our school. Students participated actively in academics, competitions, and various co-curricular activities with great enthusiasm. As we reached the last working days for some classes, it was wonderful to see the confidence, discipline, and growth of our students throughout the academic year.

As summer holidays begin, I kindly request all students to stay safe by drinking plenty of water, avoiding too much heat, and taking proper rest. Use this holiday time wisely by reading, learning new skills, and helping your parents at home. I also extend my best wishes to our Class 10 and Class 12 students awaiting their public examination results. May your hard work bring you success and a bright future ahead.

Best wishes to all.

Mr.B. Narendiran John Britto
Principal
