CORRESPONDENT MESSAGE

Dear Parents, Students, and Well-Wishers,

Greetings to you all!

As we complete the first month of the new academic year, I am delighted to witness the enthusiasm, dedication, and positive spirit of our students and staff. July has been a month of learning, discipline, and meaningful participation in various academic and co-curricular activities.

Our school celebrated Kamarajar's Birth Anniversary – Kalvi Valarchi Naal, inspiring our students with the values of simplicity, leadership, and the importance of education. Through speeches, competitions, and awareness programmes, our children learned that education is the key to personal and national development.

The month also provided opportunities for students to showcase their talents through various competitions and club activities, encouraging creativity, confidence, and teamwork. Teachers continued to guide every child with commitment, ensuring both academic excellence and character formation.

I sincerely appreciate the unwavering support of our parents and the dedicated efforts of our teachers in nurturing our students. Together, let us continue to build a learning community rooted in discipline, compassion, and excellence.

May the Almighty bless every member of our St. Mary's family with good health, wisdom, and success in all their endeavors.

With prayers and best wishes,
