PRINCIPAL MESSAGE

Dear Families and Students,

As we step into the final month of the year, December is a time of reflection, celebration, and gratitude. Christmas is a beautiful time of the year when family and friends come together. And gifts are exchanged. One group that is always excited at Christmas are children. This is because children love gifts. They look forward to receive gifts during this time of the year. In fact, it is this sense of expectation that makes Christmas special.

It has been a remarkable journey so far, filled with learning, growth, and community spirit. I want to take a moment to acknowledge the hard work of our students, staff, and families who have made this year so successful.

As the holidays approach and the year comes to a close, I encourage everyone to find time to rest, recharge, and spend quality time with loved ones. We look forward to returning in the new year with renewed energy and enthusiasm.

Wishing you all a joyful holiday season and a happy, healthy new year!

Warm regards,

MS. M. SELVI SAGAYA MARY
