

ST. MARY'S

MATRICULATION HR. SEC. SCHOOL

OCTOBER NEWSLETTER 2024

ADMINISTRATOR'S MESSAGE

Rev Sr. R. REESAL

Dear Students, Parents, and Staff,

Welcome to ST.MARY'S! We're excited to have you join our community. Our goal is to provide a supportive environment where students thrive.

I am thrilled to share with you the highlights of our recent school tour to Mysore. This educational excursion was an incredible opportunity for our students to learn beyond the classroom walls. This enriching excursion provided a unique opportunity for our students to explore the rich cultural heritage, historical landmarks, and breathtaking natural beauty of Mysore.

Tour Highlights:- Visits to Mysore Palace, Chamundi Hills, and Brindavan Gardens- Interactive sessions on Karnataka's history, art, and architecture- Immersive experiences in traditional crafts and cuisine- Team-building activities and bonding experiences.

Learning Outcomes:- Enhanced knowledge of Indian history, culture, and geography- Developed critical thinking, observation, and communication skills- Fostered teamwork, empathy, and cultural understanding.

"Our students' curiosity and enthusiasm shone bright in Mysore. We're proud of their growth and newfound knowledge."

I extend my sincere gratitude to our teachers, staff, and parents for their tireless efforts in organizing this tour. Stay tuned for information on our next educational excursion!

"Reflections of the past, shaping the future."

PRINCIPAL MESSAGE

Ms. M. SELVI SAGAYA MARY

Dear Parents, Guardians, and Students,

I hope this newsletter finds you well. As I want to express my gratitude for your ongoing support and partnership. Our students have been engaged in various academic, extracurricular, and community service activities, showcasing their talents and dedication.

As we continue to strive for excellence in education, I want to take a moment to acknowledge the indispensable role you play in your child's educational journey. Parents are the primary influencers in a child's life, and your involvement is crucial to their academic success and personal growth. Research consistently shows that parental engagement has a profound impact on student achievement, motivation, and overall well-being.

Your active participation:- Encourages academic excellence- Fosters a love for learning- Develops social and emotional intelligence- Supports character development- Enhances communication skills

At ST.MARY'S, we believe that education is a collaborative effort. We invite you to:- Attend parent-teacher conferences- Participate in school events and activities- Volunteer in classrooms or committees- Communicate regularly with teachers- Monitor progress through our online portal

Your involvement sends a powerful message to your child: "Education is valued and important." Thank you for being our partners in education. Together, we can make a lasting impact on the lives of our students.

"Join us in shaping the future of our children."

BEST WISHES!

ACADEMIC

open day

On 5th of October First terminal exam open day meeting is conducted. Parents met concern class teachers and enquired about their child performance in the first terminal exams. The aim of a parent teacher meeting (PTM) is to establish a two-way communication channel between parents and teachers to support a students learning and development.

EVALUATION MEETING

The purpose of an evaluation meeting is to provide a structured platform for feedback, identify areas for improvement, and align goals with the Organization's objectives.

Department wise evaluation meeting was conducted for the teachers, to know feedback of parents.

SAFETY INSTRUCTIONS FOR DRIVERS

Manage Your Route To School Safely

School Bus Drivers:

As the driver, you have the premiere safety seat on the bus. It is your job to ensure the safety of your young riders. When planning the route - avoid railroad crossings whenever possible.

When you do cross the tracks, follow this Safety Route Reminder:

- 1 Advance Warning**
This sign tells you to slow down - tracks ahead.
- 2 Check Traffic Behind**
Engage bus' parking lights, pull out of lane, if necessary.
- 3 Prepare Bus**
Quiet students before stopping, turn off radio and fan.
- 4 Stop Bus**
Stop at least 15 ft from crossing, further back if necessary.
- 5 Look & Listen**
For train in both directions. Open door, window to listen. Doubletake before crossing.
- 6 GO!**

Principal instructed the drivers and cleaners about student safety while they are in school vehicle.

HANDWRITING ASSESSMENT

Monthly handwriting assessment was conducted for Std I to VIII in which students would improve their handwriting.

SAFETY DAY

School Safety day was observed on 6th October 2024. Principal checked vehicles, classroom, rest room and labs.

TOPPERS MEETING

Principal met toppers of STD X & XII on every Wednesday to assess their performance in the examination.

VIJAYADASHAMI ADMISSION

Vijayadhasami a day of victory and new beginnings is the perfect time to start the child's educational journey, So admissions for classes UKG and Pre kg were done on the day(17/10/2024). Parents actively participated in the pooja and admitted their child in our school.

AYUDHA POOJA CELEBRATION

Ayudha pooja festival is a beautiful blend of worship, gratitude for the tools, instruments and vehicles. We celebrated ayudha pooja on 14.10.2024 for our vehicles which are decorated colorfully and prayer was conducted by parish priest . Principal, Administrator and all non teaching staff participated in the pooja.

Picnic

A picnic is an outdoor meal, usually in a scenic location, where people eat, play, and enjoy the sunshine. Picnics are often held in the spring or summer, and can take place in parks, lakesides, or other open spaces. On 19th of October GRADE I-V , 246 Students went to MGM as a one day picnic and enjoyed the day with an adventures.

MYSORE TRIP

Educational trips are extremely valuable for students, offering numerous benefits beyond the classroom.

Students from VI-IX went to Mysore for educational trip for 2 days, they visited historical places like Mysore palace, tipu sultan palace, brindavan garden and understood our culture and heritage.

LIVING AND NON LIVING THINGS ACTIVITY

As part of our science curriculum, the LKG students participated in an engaging activity to differentiate between living and non living things. The students took part in a hands-on activity where they sorted various objects/pictures into two categories: living and non-living. The objects included [list examples, e.g., plants, animals, chairs, books, etc.].

Opposite activity

UKG students participated in an engaging 'Opposite Activity' where they identified and matched words/concepts with their antonyms, fostering critical thinking and vocabulary skills."

Healthy Food Activity

A healthy diet is essential for good health and nutrition. It protects you against many chronic non communicable diseases, such as heart disease, diabetes and cancer. Eating healthy food is important because it can help you live longer and maintain good health. GRADE III- V students celebrated food activity on 22nd October. Students brought varieties of healthy food items and explained about nutrients contained in healthy food.

Hand washing Activity

Each year on October 15, Global Hand washing Day highlights the importance of hand washing with soap and water. our school GRADE I-II students celebrated hand washing day and learnt Hand washing helps prevent spread of infectious diseases , it can keep children healthy and in school. Hand washing education can reduce the number of young children who get sick and help prevent school absenteeism. Hand washing can help prevent illness. ...

VITAMIN ACTIVITY

We were excited by conducting vitamin day activity for LKG Kids, where students will learn about the importance of vitamins in keeping our bodies healthy and strong! This hands-on learning experience is designed vitamins , their benefits and how to incorporate vitamin- rich foods into their daily diet.

CLAY MODELLING ACTIVITY

We were excited by conducting Clay Modeling Activity that promises to be a fun and creative experience for our young learners! Clay modeling is a hands on activity that helps children develop fine motor skills, unleash their imagination, and express themselves in unique and colorful ways.

LANDFORMS ACTIVITY

A landform is any natural feature of the Earth's surface, such as a hill, a lake, or a beach. This small country has an amazing variety of landforms. Grade IV students did land forms activity on social subjects. learnt about types of land forms.

SCARE CROW ACTIVITY:

GRADE IV Students did scare crow activity on Tamil . students prepared scare crows and played a role as a scare crow and learnt A scarecrow is a decoy or mannequin that is often in the shape of a human. Humanoid scarecrows are usually dressed in old clothes and placed in open fields to discourage birds from disturbing and feeding on recently cast seed and growing crops.

CLEAN SOCK GIVES CONFIDENCE

GRADE II - students did "clean sock gives confidence" activity by this activity students have learnt the important to washing socks everyday. Socks provide your feet with protection, moisture control, temperature regulation, and comfort. Socks provide protection by adding a layer between the shoe and your foot, easing friction and preventing blisters.

TAMIL ACTIVITY:

This project combines science, technology, engineering, and math (STEM) concepts with creativity and teamwork, making it an engaging and educational experience for Grade 7 students.

SOCIAL ACTIVITY:

Grade VII Students did voting machine working model. Through this activity students Understood voting systems and their importance.

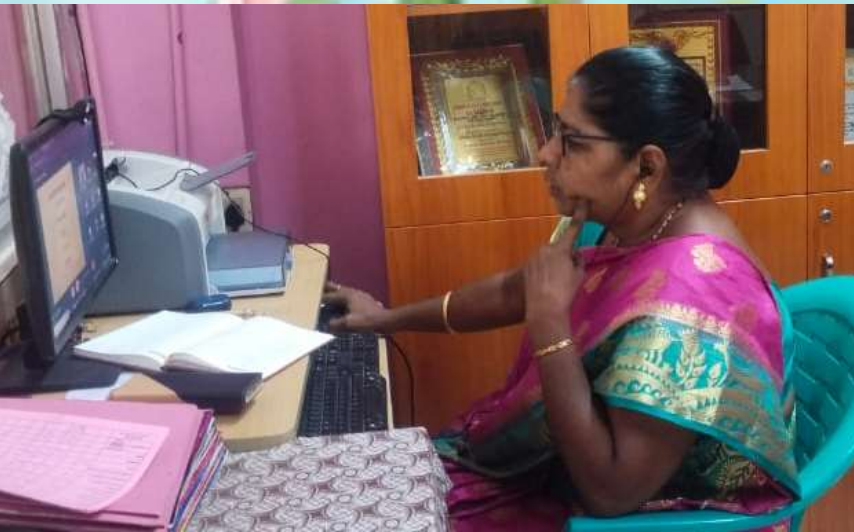

TAMIL ACTIVITY:

Grade VII students did kidney models. This activity helps students develop essential skills in science and communication while understanding the vital role of kidneys in human health.
